

Vehicle Auction Sale List

25. **1968 Ford F-250 Truck:** This original truck has current PA inspection and is in fair overall condition; green exterior with green & black interior; 3-speed on column transmission and tires are both in excellent condition and the 390 V-8 engine is in good condition; paint, body, coachwork & interior, chassis and electrical equipment are all in fair condition. This multiple-owner truck is missing its original radio (replaced with a Kraco radio and Pioneer speakers), but will be sold at the auction to the highest bidder!
26. **1971 VW Super Beetle:** This reconditioned car with 70,166 original miles is in good overall condition; blue exterior with black interior; 4-speed transmission, paint, coachwork & interior, tires & chassis are all in excellent condition; 4-cylinder engine, 2-door coupe body, and electrical equipment are all in good condition. Owner has completed the following reconditioning to the original car: complete valve job, new clutch, new starter, new tires, new interior, new windshield, new running boards & bumpers, new stereo and new headlight rims & antenna. This car has always been garage kept and has only had 6000 miles of usage in the last 18 years!
27. **1956 Buick Special 2-Door Sedan:** This virtually original car with 33,671 miles is in very good overall condition; black & white exterior with black & red interior; 8-cylinder engine, automatic transmission, 2-door hardtop sedan body, chassis, tires, coachwork & interior, electrical equipment and paint are all in good condition. All aspects of the car are original except for new paint job and new headliner. This car was originally owned by an AACA member, sold to another AACA member who owned and stored the vehicle until the age of 95, and then sold again to current owner (also AACA member). Very sharp automobile!
28. **1952 Cadillac 4-Door Sedan:** This virtually original car is in good overall condition; black exterior with gray interior (green seat covers); second-owner car since 1955 with 90,000 miles; sedan body, transmission, 8-cylinder engine, paint, coachwork & interior, and chassis are all in good condition; tires and electrical equipment are all in fair condition. Owner replaced hydraulic pistons in windows and seat, and overhauled the power steering. This car won 2nd place in a 1978 Washington DC area Cadillac / LaSalle club event.

- 29. 1937 Plymouth 4-Door Sedan:** This reconditioned car is in very good overall condition; maroon exterior with gray interior; 4-door sedan body, transmission, chassis, tires, coachwork & interior, electrical equipment and paint are all in excellent condition; 6-cylinder engine is in fair condition. This car has an excellent interior and body with the exception of a crack on the truck lid. Owner advised that the car was running when it was purchased 22 years ago, and was last started about 6 years ago. This car has been in storage for 22 years and will be sold to the highest bidder!
- 30. 1976 Honda GoldWing Motorcycle:** This professionally reconditioned motorcycle with 22,000 miles is in excellent overall condition; raspberry exterior accented with chrome; 4-cylinder 1000cc engine, touring style body, tires, chassis, coachwork, paint, electrical equipment & transmission are all in excellent condition. Previous owner rebuilt the engine; current owner had motorcycle evaluated and overhauled by CycleMax of Parkesburg, PA. This motorcycle is deemed to be in excellent condition by Professional Motorcycle Mechanics and Owner.
- 31. 1953 Plymouth Cranbrook Sedan:** Original car with 68,997 miles in very good overall condition; two-tone brown exterior with brown interior; 4-door sedan body, coachwork & interior, and paint are all in good condition; 6-cylinder engine, 3-speed standard on the column transmission, chassis and tires are all in excellent condition.
- 32. 1950 Ford F-1 Truck:** This virtually original truck in good overall condition is waiting to be restored; primer exterior with red interior; V-8 flat head engine, 3-speed transmission, 6-volt electrical equipment, step-side truck body and chassis are all in good condition; coachwork & interior is in fair condition & the tires and paint are in poor condition. This truck has a motor that was rebuilt about 15 years ago, and includes many other spare parts. Owner purchased truck over 20 years ago with the intent to fully restore and has been garage-kept. This truck would make for a great restoration project and will be sold to the highest bidder!
- 33. 1940 Chevrolet Special Deluxe Coupe:** This vehicle is in good overall condition; black exterior with mohair interior; 6-cylinder engine, 3-speed transmission, tires, coachwork & interior, and electrical equipment are all in excellent condition; 2-door club coupe body and chassis are both in good condition and the paint is in fair condition. This vehicle has 88,000+ original miles and has had the interior restored in its original design. The car runs good and was in several car shows when the paint job was in better condition. It has a new battery & cables and the radiator was re-cored. The owner has also included the original in-dash radio (currently disconnected) with the purchase of the car.

- 34. 1965 Ford Mustang:** This 2-door, hardtop car is in the process of being restored; blue and white exterior with blue interior; coupe body with new headliner, 6-cylinder rebuilt engine, chassis, electrical equipment and automatic transmission are all in good condition; both the paint and the coachwork & interior are in fair condition, however the tires are in poor condition. Owner has all parts and invoices with the vehicle.
- 35. 1950 Ford F-1 Truck:** This fully reconditioned truck is in good overall condition; white exterior with white & black interior; 351W V-8 engine, chassis, tires, coachwork & interior, electrical equipment, and C-4 automatic transmission are all in excellent condition; pick-up style body and paint are in good condition. Owner purchased truck in Michigan and personally reconditioned it locally. This truck is **loaded** with new and rebuilt equipment: fresh rebuild on a 1977 351W, bored .30 over, with high performance pistons, high performance comp cam & lifters; fresh rebuild of C-4 automatic transmission; Sanders performance headers; extra deep 7-quart oil pan; performance Edelbrock intake; fiberglass front fenders & running boards, oak-bottom truck bed; re-upholstered seat; Diamond Square head panel & back window panel; Ford Racing valve covers; Ford Racing air cleaner assembly; Ford Racing 8mm plug wires; **all new** Holley 550 carburetor, distributor, electric fuel pump, alternator & regulator, starter, water pump, performance coil, control module, battery, 2 ¼ inch exhaust, Pioneer CD player with Infinity speakers, tinted side & rear windows, windshield, brakes & wheel cylinders, power brake booster / master cylinder, emergency brake cables, American Racing wheels, and tires! Truck runs great, sounds great, looks good ... a definite head turner... get in, turn the key and go!
- 36. 1983 Street-Modified Pontiac Firebird:** This partially reconditioned car is in excellent overall condition; red exterior with light gray interior; 2-door coupe body, TCI Street Fighter manual transmission, chassis, tires and paint are all in excellent condition; 8-cylinder Chevy 350 engine (375-400 Hp) and coachwork & interior are in good condition. Owner has completed the following reconditioning to the original car: new paint job, new carpet, new headliner, new dash, added sunroof, added Band M ratchet shifter and replaced factory engine with Chevy 350 motor (375-400 Hp). This car will turn some heads and some RPMs!
- 37. 1980 Buick LeSabre Limited Coupe:** This multiple-owner original car with 89,908 miles has current PA inspection and is in fair overall condition; maroon exterior with plush maroon interior; V-6 engine, tires and electrical equipment are all in good condition; automatic transmission, body, coachwork & interior, chassis and paint are all in fair condition. If you're looking for a used car, this one will be sold to the highest bidder!
